# Welcome to Limestone Dental

## *Welcome*

At Limestone Dental, we know the power of a smile. That's why we put every effort in to make your smile sparkle and your dental visit as pleasant as possible when you visit our practice.

Our **patient care** is our **number one** priority.

## *About us*

Limestone Dental has been caring for Ipswich smiles for over 60 years and was established in 1954 by Dr Keith Heiner in Brisbane Street.

Today, the practice is located at 44 Limestone Street and has grown to 5 directors and boasts a team of more than 10 dentists and over 30 dental nurses, receptionists, lab technicians and support staff.

At Limestone Dental our patient care is priority. Each week we treat hundreds of people, but aim to create a personal, caring experience for everyone that comes to our practice. We work hard to fulfil the expectations and treatment needs of our patients.

## Our services

We feel that visiting a dentist has been given a bad rap over the years and so we work extra hard to break that stigma and make your visit a pleasant one.

Regardless of which dentist treats you at Limestone Dental, the same quality and care will be achieved.

There's a dental lab in house, something quite rare nowadays, which allows us to provide accurate and efficient dentures, crowns and mouthguards which saves you time and money.

*Cosmetic  
dentistry*

**Teeth  
Whitening**

*Dentures  
made  
onsite*

*Children's  
dentistry*

*Custom  
mouth  
guards*

*Crowns  
made  
onsite*

## Payment

Major  
Health  
Funds  
provider

We understand the concerns of dental expenses, and as a group practice we have developed standardised treatment modalities and fees.

Payment is requested at time of treatment and we accept all major bank cards, and offer Hicaps facilities for people with private health. As part of our Smile Now Pay Later service, Limestone Dental also accepts Zip and Afterpay.

As a recognised provider, this ensures our patients receive higher rebates for treatments than at other practices, lowering out of pocket expenses for dentistry.

**Limestone Dental is a recognised dental provider for the following health funds:**

## Ipswich Professional Centre

For those requiring specialist treatment, Ipswich Professional Centre (IPC), adjacent to Limestone Dental provides quality high level care here in Ipswich. The IPC hosts:

- Oral & Maxillofacial surgery
- Orthodontics
- Periodontics and Implant Surgery
- Endodontics

**Limestone  
Dental**  
Group

“ Our practice philosophy is to treat our patients as if they were members of our own family, ensuring that you will always receive the best care possible. ”
